Reid Schindler and Mike Farley, both with a degree in landscape architecture and a combined background of more than 50 years of award-winning pool design experience, are teaming up with the PSP/Deck Expo for the fifth time to discover the industry's top designers.

The finalists will each receive a complimentary Super Pass, travel stipend, and a two-night stay in Las Vegas. They will each present their concepts during the Million Dollar Pool Design Challenge session within the conference program. Live voting will determine the winner, who will be named at the conclusion of the session.

“Prepare to leave a lasting impression on the pool design industry,” said Farley. “We’re seeking daring concepts that showcase the boundless creativity of designers, coupled with a practical roadmap to bring their visionary ideas to life.”

PSP/Deck Expo takes place November 13–15, 2023, in the West Hall of the Las Vegas Convention Center in Nevada. Pre-show education occurs November 10–15, with the main conference education and expo hall happening November 13–15.
